PROPOSAL TEMPLATE (Full Version)

Zapier + n8n Workflow Automation Proposal

1. Cover Page

[Your Business Name]

Automation & Workflow Engineering Consultancy

Proposal for: *[Client Company]*

Prepared by: *[Your Name]*

Date: *[Insert Date]*

Version: 1.0

2. Executive Summary

Dear *[Client Name]*,

Thank you for the opportunity to support your automation and workflow initiatives. This proposal outlines how **[Your Business Name]** will help *[Client Company]* streamline operations, eliminate manual tasks, improve data accuracy, and enhance team productivity using **Zapier, n8n, and modern automation architecture**.

Our goal is to:

- Simplify and automate your business processes
- Improve operational efficiency
- Reduce manual errors and repetitive work

- Create scalable, documented automations
- Enable long-term sustainable workflow growth

We look forward to partnering with you.

3. Project Goals & Objectives

Your automation project will focus on:

1. Identifying high- impact opportunities for automation
 2. Designing and building optimized workflows
 3. Integrating systems (CRM, email, forms, billing, etc.)
 4. Ensuring workflows are reliable and error-resistant
 5. Delivering documentation and training to your team
-

4. Scope of Work

This engagement includes:

Phase 1 — Discovery & Mapping

- Automation audit
- Workflow design diagrams
- Data flow architecture
- Requirement gathering calls

Phase 2 — Build & Implementation

- Create up to **[X] workflows**
- Integrate **[X] systems** (e.g., CRM, email, forms, SaaS tools)
- Conditional logic & branching
- API integrations where applicable
- Error notifications & fallback handling

Phase 3 — Testing & Quality Assurance

- Debugging
- Workflow optimization
- Scenario stress testing
- Documentation of final setup

Phase 4 — Delivery & Training

- Screenshare training call

- Training materials / videos
- Handover documentation

Optional Add-ons

- Monthly maintenance
 - Additional workflows
 - AI integrations
 - Dashboard/report automation
-

5. Timeline

Phase	Estimated Duration
Discovery	2–5 days
Build	7–14 days
Testing	2–4 days
Delivery	1–2 days

Total Estimated Duration: [X] Days

6. Pricing

Package	Price
Project Total	\${Amount}
Optional Add-ons	\${Amount}
Monthly Maintenance Option	\${Amount}/mo

50% upfront, 50% on final delivery unless otherwise agreed.

7. Maintenance Option (Recommended)

Monthly retainer includes:

- Monitoring & uptime checks
 - Priority support
 - 1–3 workflow updates
 - Fast issue resolution
-

8. Assumptions

- Client will provide timely access to systems
- Client will approve workflows before launch

- Third-party tools (Zapier, hosting, SaaS apps) billed separately
-

9. Acceptance & Sign-Off

I agree to the scope, pricing, and terms outlined in this proposal.

Date: _____

📄 CONTRACT TEMPLATE (Master Service Agreement)

Zapier + n8n Automation Consulting Services

MASTER SERVICE AGREEMENT (MSA)

This Master Service Agreement (“Agreement”) is entered into on **[Date]**, between:

[Your Business Name], (“Consultant”)

and

[Client Company Name], (“Client”).

1. Services

Consultant will provide:

- Workflow automation services
- System integrations
- n8n server setup (if applicable)
- Testing, debugging, training
- Documentation
- Maintenance (if included)

All services are detailed in the **Statement of Work (SOW)** attached to this Agreement.

2. Payment Terms

- 50% upfront deposit
- 50% upon completion
- All invoices are due within 7 days
- Monthly retainers billed in advance

Late payments may delay project timelines.

3. Client Responsibilities

Client agrees to:

- Provide access to systems and accounts
- Review and approve workflows timely

- Ensure all third- party software licenses are active
-

4. Deliverables

Consultant will deliver:

- Completed workflows
- Documentation
- Training (if applicable)
- Workflow diagrams

Deliverables are considered accepted unless issues are reported within 5 business days.

5. Change Requests

Changes outside the agreed scope will be billed at:

- **[\$Rate]/hour or**
 - **New fixed-price mini- SOW**
-

6. Confidentiality

Both parties agree to protect confidential information, including:

- Business data
 - System access details
 - Credentials
 - Internal processes
-

7. Data Security

Consultant follows:

- Secure credential storage
- Encrypted communication
- No data sharing with third parties

Credentials may be revoked after project completion.

8. Ownership

- Client owns all workflows built specifically for their business.
 - Consultant retains ownership of reusable templates or internal tools.
-

9. Termination

Either party may terminate with 14-day notice.

Client must pay for completed work up to termination date.

10. Liability

Consultant is not responsible for:

- Third-party service outages
 - Zapier or n8n platform changes
 - API limits or failures
 - Client misconfigurations after delivery
-

11. Governing Law

This Agreement is governed by the laws of **[Your Country/State]**.
